Welcome,

We are glad that you have chosen South Tabor to provide your care. Our goal is to provide you with excellent comprehensive health care and outstanding customer service. Please let us know if you find us lacking in either area.

The forms listed in the New Patient Forms section of our website make up our new patient packet. Please print and bring the completed forms to your upcoming appointment with us.

We ask that you:

- Arrive 15 minutes early for your appointment (you might have additional forms to fill out)
- Have your completed new patient packet with you
- Bring your insurance and ID cards along
- Call us at 503-261-7200 (option 2) if you have questions or cannot make your appointment

To provide you with convenient access to care, we are open 7 days a week as well as many holidays. Regular hours are:

Monday through Friday	8:30am-7:00pm
Saturday	8:30am-5:00pm
Sunday and Some Holidays	1:00pm-3:00pm

Outside of office hours and only for urgent health matters that cannot wait until our next business day, a practitioner is available by phone. You may reach the on call practitioner by calling our office at 503-261-7200 and following the appropriate prompts.

If a future illness or injury you sustain is not life-threatening, yet causes you to consider an emergency room visit, please contact our office. We may be able to assess and treat your condition. Additionally, we offer the benefits of easy access to your general records and shorter wait times than the hospital. Of course, if you believe your condition is life-threatening, please go directly to the hospital or call 911.

Our desire is to work together with you to coordinate superb care and keep you as healthy as possible. We look forward to a long and healthy relationship with you.

Sincerely,

South Tabor Family Physicians LLP

Tier 3 Patient Centered Primary Care Home
